

Products:

Abdominal binders
Absorbable implants
Accumulators and batteries for medical
Acupressure devices
Acupuncture equipment and accessories
Acupuncture needles
Agitators
Aids for walking and standing
Air moisturizers
Air processing systems
Ambulances rescue vehicles
Amnioscopes
Anaesthetic trolleys
Anaesthetic equipment
Anaesthetic masks, breathing bags
Analytical scales
Anti decubitus systems and support
Anti-allergy clothing
Apparatus and accessories for MRI
Apparatus and tripods for stationary
Apparatus for conventional X-ray
Apparatus for sleep apnoea
Apparatus for sleep studies
Apparatus tables and trolleys
Archiving systems
Arm ergometers
Arthroscopes
Articles for nursing, hygiene and medical
Artificial noses
Artificial noses for tracheal cannulas
Atomic absorption flame photometer
Atomic absorption spectrophotometers
Attachments for respirators
Audiovisual equipment for the handicapped
Automated external defibrillators
Automatic blood sedimentation units
Automatic cleaning apparatus for laboratory
Automatic pipetting and diluting station
Automatic radioimmunoassay
Automatic refractometers
Autopsy tables and equipments
Baby changing tables and units
Baby scales
Back support aids, support bandages
Bacteriological colony counters
Bacteriology - Infectious immunology
Balneotherapeutic equipment
Bandage materials
Bandage splints
Bandage sterilisers

Bandage trolleys
Bandages (Bandage materials)
Bandages (Physiotherapy Orthopaedic Technology)
Bandages (Universal medical commodities)
Bandaging materials
Bandaging tables
Bath tubes and accessories for hydrotherapy
Bath tubs and showers for patients
Bed gantries
Bed pans
Bed pans washers
Bed scales
Bed-wetting alarm systems
Bedpan and urinal stands
Bedpan flushing apparatus
Bedside tables and cupboards
Biological indicators for sterilisation
Bipolar devices for thermo therapie
Bladder syringes
Blood bank refrigerators
Blood barring devices
Blood cell separation (haemapheresis)
Blood donor vehicles
Blood flow measurement equipment
Blood glucose
Blood plasma freezers
Blood pressure equipment
Blood pressure self-monitoring
Blood product transport equipment
Blood transfusion equipment, systems
Body Composition Analysis (BCA)
Body fat measuring devices
Bone burs
Bone files and raps
Bone mineral analysers and
Bone nails, screws and plates
Bone raps, elevators, dissectors
Bone saws
Breast implants
Breast prostheses
Breathing exercise equipment
Breathing protection masks
Bronchial devices
Bronchoscopes
C-reactive proteins (CRP)
Cabinets for drugs and remedies
Cabinets for gynaecology, urology
Cameras for medical photography
Capillary microscopy: evaluation
Cardiac catheterisation equipment

Cardiac output measuring
Cardiac therapy equipment
Cardiac valves (aortic and mitral)
Cardiovascular patches
Catheters
Ceiling stands for the operating
Cell counters
Central sterilising installations
Centrifuges
Centrifuges for drainages of rubbish
Certification and testing of medical
Chair scales
Chamber pots
Chambers for oxygen hyperpressure
Chemical indicators for sterilisation
Chest drains
Chiropractic treatment tables
Chloride meters
Clean steam generators and pressure
Clean-room clothing
Cleaning equipment (laboratory)
Clinical chemistry
Clock systems and time recording devices
Clone-enzyme directed immunoassay
Clothing shoes
Clothing for patients
Coding units
Cold-light glass fibre lamps
Colour dopplers
Commodities and Consumer Goods
Complete equipment for disinfection
Compression and support stockings and tights
Compression therapy equipment
Compressor nebulisers
Computer hardware for surgeries and hospitals
Computer-aided cognitive rehabilitation
Computerised tomographs (CT)
Condom urinals
Conductivity cells
Conductometers
Connectors, connecting pieces
Consulting and planning of fittings
Contamination monitors
Cooling thermostats
Coronar stents
Couch covers
Couch ergometers
Cramer splints
Cryostats for deep freezing
Cryostats for temperature regulation

Cryosurgery equipment
Cryotherapy
Cupboards for endoscopes
Cuvettes for glass photometers
Cuvettes for synthetic photometers
Cytobrush for gynaecological cell
Darkroom apparatus and equipment
Decubitus prevention
Defibrillators and accessories
Delivery bath tubs
Delivery beds
Delivery room furnishings
Diagnostic agents kits
Dialysis equipment
Dialysis testing and monitoring
Diathermy equipment
Differential cell counters
Digital radiography equipment
Digital video colposcopes
Digitalising indicator boards, digiboards
Dilatators
Disinfectants
Disinfecting washers
Disinfection of medical devices
Disposable articles for hospitals
Disposable articles for laboratories
Disposable articles for surgeries
Disposable clothing
Disposable gloves
Disposable laboratory material made of glass
Disposable linen
Disposable secretion containers
Disposable towels and sheets
Disposable urinal bottles
Dissecting tables
DNA analysis
DNA diagnosis kits
Doctors' cases, emergency cases
Documentation systems
Doppler sonography equipment
Dosimeters
Drainages
Dressing bins, waste bins (pedal bins)
Dressings for wounds
Dry powder inhalers
Dry warm up devices
Ear endoscopes
Ear instruments and otoscopes
Ear prostheses and auditory ossicle
Ear protectors

ECG accessories (electrodes, etc)
Echocardiographs and evaluation systems
EEG bio-feedback systems
EEG Monitoring and recording equipment
Elastic bandages
Electric suction devices
Electrical acupuncture equipment
Electrical heating and warming equipment
Electrical Impedanz Tomography (EIT)
Electro-therapy equipment
Electrocardiographs and analysers
Electrocardiography (ECG) equipment
Electrodes and biosensors
Electroencephalographs
Electromagnetic wave equipment Biofeedback
Electromedical equipment
Electromedical instruments
Electronic digital patient file
Electronic blood pressure
Electronic milk-bottle disinfection
Electronic thermometers with sensor
Electrosurgical instruments (HF)
Emergency and transport respiration
Emergency instruments
Emergency Medicine Rescue Equipment
Emergency Room Equipment
EMG bio-feedback systems
Endoprotheses
Endoprotheses of hips
Endoscopes and accessories
Endoscopy furniture
Endoscopy systems
Endotracheal tubes
Enema and irrigation equipment
ENT (ear, nose and throat) diagnostics
ENT examination and operation chairs
ENT Units
Enzyme immunoassay (EIA, ELISA, EMIT)
Episcopes, epidiascopes
Equipment and furnishings for reception
Equipment and systems for blood gas analysis
Equipment and systems for HIV determination
Equipment and systems for microbiological
Equipment and systems for urinary diagnosis
Equipment and utensils for radiation
Equipment for audiological diagnostics
Equipment for blood banks
Equipment for first aid functional
Equipment for gynaecological
Equipment for hearing test

Equipment for HIV determination units
Equipment for microbiological diagnosis
Equipment for muscle training
Equipment for oculography
Equipment for ozone therapy
Equipment for pain therapy,
Equipment for sample preparation
Equipment for stamina training
Equipment for treatment with gases
Ergo-spirometric-devices
Ergometers
Ergometric measuring stations
Evaluation appliances
Evaluation systems for nuclear medicine
Evaluation units for microtiter plates
Evaporaters
Evoked potentials, somatosensory,
Examination and operation chairs
Examination and protective gloves
Examination and treatment couches
Examination chairs for gynaecology,
Excess pressure respiration equipment
Exhaust steam devices
Extension apparatus for physical therapy
Extension equipment for extension bandages
Extension equipment for surgery
Extension tables, extension couches
External catheters urinal roller funnels
Eye irrigation
Eye irrigation bottles
Eye operating tables
Eye patches
Eye pressure distribution
Eye test devices
Fibre optics equipment
Filtration systems
Finger splints
First aid bandages
First-aid equipment
Fitted sterilisers
Fixation belts Fixation systems
Fixed and moveable standard lamps
Flame photometers
Flat and concave chisels
Fleece and cleaning cloths
Fluorescent screens, X-ray visualisers
Fluorometry (Units and systems for the)
Fluoroscopes
Fluoroscopic and single-frame cameras
Folding wheelchairs

Freeze drying equipment (laboratory)
Frequency therapy equipment
Full-automatic devices for coagulation
Fully automatic electrophoresis units
Fully automatic microtiter plate systems
Fully darkening equipment
Fume cupboards
Fundal retinal cameras
Furnishing
Furnishing Equipment for examination
Furnishing Equipment for mobile medical
Furnishing for service areas, offices,
Furnishings Equipment for baby units
FurnishingsEquipment for day rooms
Furniture for operating theatres
Furniture for the handicapped
Further education and training
Gas chromatography (GC)
Gas sterilisers
Gaseous exchange monitoring, monitoring
Gastrosopes
Gel electrophoresis
Gel products
Gene tests molecular biological diagnostic
General Diagnostics
Glass Petri dishes
Glass pipettes and measuring vessels, etc
Glass thermometers for laboratories
Glass water distillation
Glucose control glucose calibrators
Glucose fully automatic determination
Glucose photometric determination
Glucose semi automatic determination
Glucose test strips, biosensors
Glucose test strips, photometric
Gynaecological investigation tests
Haematogenous oxidation therapy systems
Haematology Histology Cytology
Haematology cell counters
Haematology reagents
Haemodialysis equipment and accessories
Haemofiltration equipment and blood
Haemostasisreagents (Coagulation)
Haemostypticum
Hand operating tables
Hands disinfection articles
Heart circulation diagnostics
Heart pace makers
Heart-lung machines and accessories
Heat treatment cabins

Hernia implants
Hernia nets
Hernia trusses
HF surgical devices (megahertz)
High voltage therapy apparatus
High-pressure liquid chromatography (HPLC)
High-sound therapy devices
Hip protectors
Histology Cytology reagents
Homogenizers
Homogenous enzyme immunoassay
Hospital and Care equipment
Hospital furniture
Hot-air sterilisers
HPLC application: medical laboratory
Hyper thermo therapy systems
Hyper-pressure chambers
Hyper-pressure monitoring systems
Hypoallergenic cloth
Hypothermia prevention equipment
Hysteroscopes and culdoscopes
Ice packs and heat packs
Imaging proceedings
Immunochemistry (Immunology)
Immuno-electrophoresis
Immunohaematology (Blood grouping)
Immunoradiometric assay (IRMA)
Implant cabinets
Implantable catheters and long-term
Implantable medication pumps
Implants and prostheses
Implants for spinal columns
Incontinence and stoma aids
Incubation temperature regulating units
Incubators
Information display panels
Information systems for hospitals
Infrared heat treatment cabins
Infrared radiation units
Infrared spectrometers
Infusion devices
Infusion pumps
Infusion technology equipment
Infusions sets
Inhaler and aerosol appliances
Injection needles for X-ray contrast
Injection syringes
Inoculation sets
Instant wound dressings
Instrument cabinets, dressing cabinets

Instrument tables, apparatus tables
Instruments and apparatus for abdominal
Instruments and apparatus for anatomy
Instruments and apparatus for cardiac
Instruments and apparatus for ocular
Instruments for accident surgery
Instruments for bone surgery, fracture
Instruments for endophotography
Instruments for endoscopic biopsy
Instruments for ENT surgery
Instruments for hand and plastic
Instruments for intervertebral disk
Instruments for pharynx, larynx
Instruments for the minimal-invasive
Instruments for tonsillectomy and Clamps
Instruments for tubal insufflation
Insulin syringes and injectors
Intense medicine anesthesiology respiration
Intestinal stoma care system and bags
Intra-aortic balloon pumps
Iris microscopes, slit lamps
Irrigation and suction instruments
Isokinetic tests and training systems
Isotope laboratory equipment
Joint bandages
Kidney dishes and sputum pots
Knee and calf fitted parts
Lab-on-a-chip
Laboratories microscopes
Laboratory deep-freezers
Laboratory Equipment
Laboratory furniture
Laboratory items
Laboratory planning
Laboratory refrigerators and cooling systems
Laboratory safety benches
Laboratory scales
Laboratory sterilisers
Laboratory water purification systems
Laboratory-clean room units
Lactarium wards
Lactate determination units
Laparoscopic cholangiography canulae
Laparoscopes
Laryngoscopes
Laser acupuncture equipment
Laser imaging equipment
Laser surgery equipment
Laser therapy equipment
Lasers for eye surgery

Lateral training devices (Physiotherapeutic)
Lateral training devices (Rehabilitation)
Lighting installations for operating
Lighting systems and equipment
Lithotripsy equipment
Logistic systems for hospitals
Long-term blood pressure equipment
Long-term ECG computers
Long-term ECG recording
Low pressure massage devices
Low-pressure chambers
Luer syringes
Lumbar and spinal puncture accessories
Luminescence immunoassay (LIA, SPALT)
Luminescence-enhanced immunoenzymatic
Lymph drainage therapy devices
Magnetic field therapy
Magnetic Resonance Imaging (MRI)
Magnetic stirrers
Magnetocardiographs and analytical
Managing systems of medical results
Manual blood pressure measuring
Manual dilutors, glass plastic
Manual dispensers, glass plastic
Manual suction devices
Massage couches
Measuring devices for blood
Measuring micro circulation
Measuring of blood circulation
Mechanical devices for coagulation
Mechanical glycosated haemoglobin
Mechanical units for clinical chemistry
Mediastinoscopes
Medical anti-steam-up material
Medical educational equipment
Medical heat treatment
Medical lamps, examination lamps
Medical lighting
Medical phototherapy equipment
Medical simulators and equipment
Medical supply units complete mobile units
Medical UV therapy equipment
Medical wall boards
Medicinal baths and rehabilitation
Meniscotomes
Micro wave therapy devices
Micro-analytical scales
Microfilm systems for X-ray film
Microsurgical instruments
Microtiter plates

Microtomes
Milk pumps, baby bottles
Minimal invasive surgery equipment
Mixing units for vessels, tubes, etc
Mobile clinics
Mobile massage equipment
Mobile medical practices
Mobile operating tables
Mobile operation and treatment couches
Mobile X-ray apparatus
Models, demonstration material
Monitoring equipment for displaying
Monitoring equipment for oxygenation
Monitors for X-ray generators and X-ray
Moveable vertebral columns
Movement analysis
Multi functional training equipments
Nasal endoscopes
Nasal instruments and rhinometers
Nasopharyngeal devices
Needle magnets
Needles for anaesthesia
Neonatal care equipment
Neuro monitors
Neuro-feedback systems
Neuroendoscopes
Neuromuscular stimulation therapy
Neurosurgical instruments and equipment
Neutral electrodes for HF-surgery
Non invasive ventilation, devices
Non-woven disposable
Non-woven laboratory material
Nuclear diagnostic
Nuclear measurement instruments
Nuclear medicine equipment
Nurse call systems
Obstetric and gynaecological models
Occupational therapy equipment
Ocular tonometers
Operating Microscopes
Operating supports
Operating table covers, heated
Operating table lights
Operating tables
Operating technology and equipment
Operating theatre textiles
Operating theatres equipments
Operation monitoring equipment
Ophthalmological implants, artificial
Ophthalmometers, prism
Ophthalmoscopes
Optical colposcopes
Pipette tips
Pipetting apparatus with elastic tube pump

Optical filter
Orthopaedic and plaster splinting
Orthopaedic implants and prostheses
Orthopaedic shock wave therapy equipment
Oscillation therapy
Osmometers
OT cabinets
OT clothing-disposables
OT clothing-multiple re-usables
OT face masks, OT cap-disposables
OT gloves
OT shoes
OT textile covering-disposables
OT textile covering-multiple re-usables
Otosurgical implants and prostheses
Oximeters, oxygen saturation meters
Oxygen equipment
Oxygen inhalation and drug nebulising
Oxygen-ionisation systems
Oxygen-ozone therapy, equipment
Oxygenation equipment
Patient bathing systems
Patient beds and accessories
Patient care trolleys
Patient conveyance seat belt systems
Patient education software
Patient lifting systems
Patient loading equipment
Patient monitoring equipment for
Patient reclining chairs
Patient support systems
Patients' cupboards
Penis prostheses
Percussion hammers, reflex hammers
Perimeters
Peritoneal dialysis equipment
pH buffer solution calibration solution
Phacoemulsifiers for cataract surgery
Pharyngeal tubes, laryngeal masks
Phonocardiographs, cardiophones,
Photocoagulators
Photofluorography equipment
Photometers
Photomicroscopes
Physiotherapeutic cold treatment
Physiotherapeutic heat treatment
Physiotherapeutic massage equipment
Physiotherapeutic mobility aids
Physiotherapy Orthopaedic Technology
Physiotherapy equipment
Pillows for wheelchairs
Pipette cleaning apparatus (laboratory)
Shoes for doctors and nurses
Short wave therapy devices

Pipetting devices for microtiter plates
Plaster of Paris bandages
Plaster saws and shears (including Hammers)
Plastic Petri dishes
Plastic skeletons, artificial human skulls
Platelet counters
Playground equipment for handicapped
Plethysmography units including
Pneumatic splints
Polysomnographic systems
Portable nebuliser
Posturography systems
Powered wheelchairs
PPG devices
Precision scales
Pregnancy tests
Premature baby monitoring equipment
Proctoscopes, rectoscopes
Proprioceptive training equipment
Prostate thermotherapy units
Prosthetic rods, apparatus rails
Protection bandages
Pulmonary function tests Spirometer
Pulse oscillographs
Pulsoxymeters
Pumps and valves for laboratories
Radiation measurement, warning
Radiation protection cabins
Radiation protection clothing
Radio surgical devices
Rebreathing bags
Rehabilitation bandages and positioning
Rehabilitation equipment and devices
Rescue equipment and appliances
Respiration equipment
Respiration masks
Room dividers Visibility protection
Rotatory evaporators
Rubbish compressors
Sample distribution and organisation
Sample distribution systems
Scales
Scalpel blades
Scalpels and accessories
Scissors, forceps
Scoliosis instruments
Seating equipment and bowls for handicapped
Self monitoring equipment
Semi-automatic units for clinical
Shock wave therapy equipment

Shower trolleys, adjustable height,
Signposting systems for surgeries
Silicone capillary drains
Silicone vascular loops
Sleep apnoea therapy equipment
Small automated sterilisers
Software as a medical aid
Software for blood and organ banks
Software for diagnosis and treatment systems
Software for doctors' surgeries, medical
Software for hospital pharmacies
Software for hospitals rehabilitation centres
Software for image processing and archiving,
Software for laboratories
Software for patient documentation
Software for patient management and accounts
Software for radiation protection
Software for the instruments' managing
Software for therapeutic drugs' managing
Software for therapy planning
Special beds
Special patient chairs
Spectacle lens testing apparatus
Spectrometers
Sphygmomanometers
Splints
Splints for immobilisation of extremities
Spot-film radiography equipment, grid
Staff plates
Standard X-ray units
Standing trainers and aids
Steam inhalation apparatus
Stents
Stereoscopic equipment
Stereotactic operating instruments
Sterile bags
Sterile compresses
Sterile filters
Sterile fixation of cannulas
Sterile goods packaging
Sterile pack welding equipment
Sterile plastic Petri dishes
Sterilisation and disinfection equipment
Sterilisation control
Sterotactic biopsy system
Stethoscopes
Stimulation current diagnosis equipment
Storing systems for instruments
Straightening aids
Stretchers

Suction and irrigation tubings
Suction devices
Suction prostheses and accessories
Supply and disposal systems for sterile
Surgery and Endoscopy
Surgery plates
Surgery Room Equipment
Surgical disposable instruments
Surgical instruments
Surgical plastic and rubber articles
Surgical suture materials
Syringe pumps
Syringe sets
Syringes
System for Image documentation
Systems for medical documentation
Tele-cardiology
Teleconsult systems
Telemedicine
Telemetry systems
Testing equipment for body stability
Therapeutic drug monitoring
Therapeutic play systems and awareness
Therapie and physical medicine
Therapy couches and massage benches
Thermography devices
Thermometer
Thermoregulators for deep anaesthesia
Thermostats
Thermotherapy systems
Thorascopes
Thromboelastograph
Tissue typing reagents
Tomography equipment
Tourniquets pneumatic and electronic
Tracheal packs
Tracheal prostheses
Tracheostoma care
Tracheostomy tubes and cannulas
Training arms for injection
Training equipment
Transcranial dopplers
Transcutaneous nerve stimulation
Transport couches
Treatment trolleys
Trolleys for cleansing materials
Trolleys for endoscopes
Tube bandages
Tubes
Tubes for anaesthetic units
Tubing for anaesthesia
Tumor markers
Turn key hospital
Turn key laboratories (modular)

Turn key OR's (modular)
Tympanometers
Ultrasonic accessories
Ultrasonic cleaning
Ultrasonic disintegration systems
Ultrasonic nebulisers
Ultrasonic surgical equipment
Ultrasonic Therapy Equipment
Ultrasound diagnostic equipment
Ultrasound scanners
Ultraviolet and Infrared radiation equipment
Ultraviolet disinfection equipment
Urinary analyser, chemical
Urinary catheters and accessories
Urinary test strips
Urine bags
Urine collection vessels pots and stool
Urine control
Urine flow meters and systems
Urodynamic measuring devices
Urological endoscopes
Urostomy bags
UV-VIS spectrophotometers
Vacuum pillows for operation tables
Vascular prostheses
Vascular surgical instruments,
Vibration mixers
Video colposcopes
Video endoscopes, CCD cameras
Virus cultures
Visual support systems
Visual symbol projectors
Vitrectomy instruments for vitreous
Volumetric infusion pumps
Walking and mobility aids
Ward equipment and apparatus
Ward-round trolleys
Waste gas purification systems for gas
Waste management devices for disposable
Water treatment equipment for the laboratory
Wheelchairs
Working clothes and protective clothing
Wound adhesives
Wound and abdominal wall retractors
Wound covering skin substitutes
Wound drainage und redon instruments
Wound retractors, rib spreaders, wound
X-ray apparatus
X-ray devices and accessories
X-ray generators and tubes
Turn key OR's (modular)
Tympanometers
X-ray protection items
YAG lasers
